MEMORANDUM FOR: Inspector General

SUBJECT : Appeal of [redacted]
to Rescind Action Taken Under [redacted]

STAT
STAT

1. I have reviewed the case of [redacted]
in great detail.

STAT

2. Had I acted on this case in the beginning under the criteria I established in reviewing the DD/P cases, I would have disapproved his separation under [redacted] and directed his reassignment to another division of the Agency and would have approved a recommendation for his reduction to a grade commensurate with his capabilities.

STAT

3. Since I am now asked to consider his appeal, I have done so and uphold it in accordance with the judgment in the preceding paragraph. This is not to be considered a reversal of the Director's action in January of 1962 -- it is an independent judgment based on different criteria.

4. Please take appropriate action accordingly.

Lieutenant General, USA
